

**Public Meeting Agenda
for the
Underground Facility Protection Program Advisory Council**

301 S. Park Ave., Small Conference Room, Helena, MT

10:00 am

Monday, September 10, 2018;

1. The Administrative Rules have been published and the official version is now available.
2. To date, three excavators have requested mediation before the Council. The council now needs to address some of the finer details of the mediation process.
 - Number of council members to initially serve as mediator
 - What materials would the council like to review prior to the mediation meeting, and how many days before the meeting do these materials need to be received
 - Who will be responsible for writing up the recommendation document after the mediation meeting is held
 - The Chairs appointment of individual council members to serve as mediator vs. the full council's desire to be involved in the process.
 - Will the mediation meetings be in person, conference calls/Skype meetings, or a combination of both
 - Discussion on the goal of mediation
 - Responsibility of the Department after the mediator makes its recommendation
 - Other issues or concerns
3. Update on Call Center collection of locate fees
4. Public comment
5. Adjourn

The Department of Labor & Industry is committed to providing meeting access through reasonable accommodation under the Americans with Disabilities Act. Please contact the Building Codes Bureau office prior to the proposed meeting date for further information.

New agenda items may be added up to “three business days” before the meeting. For the most accurate agenda, please consult the web site at <http://bsd.dli.mt.gov/building-codes-permits/meetings>.

The council may reorder the agenda at the beginning of the meeting.
